STATE OF CONNECTICUT

FAMILY VIOLENCE DETAILED REPORT 2010

*State of Connecticut Department of Emergency Services and Public Protection
Division of State Police, Crimes Analysis Unit*

FOREWORD

“Family Violence” means an incident resulting in physical harm, bodily injury or assault, or an act of threatened violence that constitutes fear of imminent physical harm, bodily injury or assault between family or household members. Verbal abuse or argument shall not constitute family violence unless there is present danger and the likelihood that physical violence will occur (Connecticut General Statutes 46b-38a(1)).

“Family or household member” means (A) spouses, former spouses; (B) parents and their children; (C) persons eighteen years of age or older related by blood or marriage; (D) persons sixteen years of age or older other than those persons in subparagraph (C) presently residing together or who have resided together; (E) persons who have a child in common regardless of whether they are or have been married or have lived together at any time; and (F) persons in, or have recently been in, a dating relationship (Connecticut General Statutes 46b-38a(2)).

“Family violence crime” means a crime that, in addition to its other elements, contains as an element thereof an act of family violence to a family member and shall not include acts by parents or guardians disciplining minor children unless such acts constitute abuse (Connecticut General Statutes 46b-38a(3)).

Whenever a peace officer determines upon speedy information that a family violence crime, as defined in subdivision (3) of section 46b-38a, except a family violence crime involving a dating relationship, has been committed within such officer’s jurisdiction, such officer shall arrest the person or persons suspected of its commission and charge such person or persons with the appropriate crime. The decision to arrest and charge shall not (1) be dependent on the specific consent of the victim, (2) consider the relationship of the parties or (3) be based solely on a request by the victim. Whenever a peace officer makes an arrest under this subsection, such officer may seize any firearm at the location where the crime is alleged to have been committed that is in the possession of any such person or that is in plain view. Not later than forty-eight hours after any such seizure, the law enforcement agency shall return such firearm in its original condition to the rightful owner thereof unless such person is ineligible to possess such firearm or unless otherwise ordered by the court.

This report provides a detailed summary of 2010 family violence arrest incidents for every town or police department in Connecticut. For each town or police department, statistics regarding family violence offenses are presented in two formats: (1) offense-based data providing incident counts by offense type, use of weapon, injury, child involvement, drug or alcohol involvement, prior court order, day of week, and time of day breakdowns and (2) person-based data providing counts of victims, offenders, and “all arrested” (people who were involved in incidents where all parties were arrested) by offense type, relationship, sex, and age breakdowns.

Information contained herein includes incidents that occurred during the calendar year of 2010 and submitted to the Department of Emergency Services and Public Protection prior to July 1, 2011. Incidents which occurred prior to 2010 but became known to police in 2010 are not included in the report. In addition, information in this report might differ from previous publications as the information has been continuously updated.

The Family Violence Reporting Program/Crimes Analysis Unit of the Connecticut State Police would like to acknowledge all police departments for their dutiful submission of family violence offense reports, and to the Office of Policy and Management for their continued financial support of the Connecticut Family Violence Reporting Program through the National Criminal History Improvement Program.
